

SABON

---

**DAY 31**

MILE 95

Cheryl by her tent, already dirty and bloody again. There are coyotes howling away somewhere in the distance, and she's a little spooked. She's trying to get her stove working with *the new fuel*, and suddenly it flares into fire.

CHERYL:

So how many miles a day are you doing?

GREG:

I'm avereging about 22 at the moment.

SOFIA

---

**DAY 31**

MILE 95

Cheryl by her tent, already dirty and bloody again. There are coyotes howling away somewhere in the distance, and she's a little spooked. She's trying to get her stove working with the new fuel, and suddenly it flares into fire.

CHERYL:

So how many miles a day are you doing?

GREG:

I'm avereging about 22 at the moment.
